### Finishes

Triad's Basic, Real Wood Veneer & Custom Finishes are available for this product.

The standard finish for this product is Black paint. For any other colors, please refer to Triad's Custom Match Finish program for this product.

The paint we use is a top quality enamel and is applied with a light pebble finish. The veneer finishes are made from real wood and coated with an enamel clear coat.

## ONWALL MINI LCR 1.0

The OnWall Mini LCR 1.0 is the newest addition to the Mini LCR family, Now there is a version of Triad's most compact LCR for every conceivable application. The OnWall Mini LCR is the perfect solution for use with wall-mounted flat-screen televisions, providing excellent sound quality in a slim, handsome package. As with all other Triad speakers, the OnWall Mini LCR can be ordered in any color you choose. Triad can do this because we build your order expressly for you; we don't ship old speakers from inventory!

And for an additional charge, Triad can custom size OnWall Mini LCRs in almost any length up to a maximum of 82", to perfectly match your video display. Although the Mini LCR can be used without a subwoofer in smaller venues, it is a great choice for home theaters when used with one or more Triad Subs and Surrounds. You get that great Triad sound without big, bulky boxes!
